

YOU are the expert on your student, so we would like to be partners with you this school year on ensuring that they have the best experience they can when they are with us at Camp Herrlich. We would love for you to fill out this form and get it back to us before your child starts the school age child care program. The information provided is solely to help us serve your child and your family and support anything you may be working on. Some, not all the information will be shared with our staff, but the program director, the medically certified staff, and the site directors will have access to the information. Please feel free to attach extra sheets or use the back of the form if you would like to!
