

CAMP HERRLICH presents

SLEEPAWAY CAMP 2017

Our Program

Our summer camp program is designed to provide campers with opportunities to make friends, have fun, and develop a sense of cooperation and independence. Camp Herrlich's 156 acres offers your child(ren) a wealth of enriching experiences with a variety of activities. With two lakes, fields, streams, courts, and forest crossed with hiking trails, we offer campers the opportunity to enjoy all aspects of the great outdoors!

Our Mission

Our mission is to provide individuals the opportunity to grow in an awareness of themselves, the rich diversity of God's natural world, and their role in the global community. Our educational and recreational programs work toward developing ethnic harmony, environmental stewardship, community service, and spiritual growth in an atmosphere of acceptance and love.

Our Staff

The most important aspect of any camp is the staff. At Camp Herrlich, we pride ourselves on our long-standing tradition of hiring caring, competent, and experienced individuals. Our staff is carefully selected from all over the world and from our local community based on skills, maturity, values, and ability to provide a positive experience for the children we care for. All staff participate in a mandatory orientation at Camp Herrlich, which provides training in areas ranging from emergency procedures to positive reinforcement for children.

Friendly Faces

Health and Safety

The care and safety of our campers is of utmost importance to us. A full-time nurse and fully equipped first aid station are located on the camp. All campers are required to have a new, SIGNED medical information form on file in the Camp Herrlich Health Center every year. As required by the Putnam County Department of Health, we must also have a copy of your child's immunization record, signed or stamped by his/her physician.

Please do not send an ill child to camp. Our medical personnel is available to attend to accidental injuries and unsuspected illnesses. Sending a sick child will only prolong the healing process and may put other campers at risk.

Accommodations

Campers are housed in rustic, comfortable, clean cabins. There are two separate cabin villages, one for boys and one for girls. Both villages have wash houses with hot/cold running water, showers, and flush facilities. Each village also has a fire circle for the enjoyment of campfire gatherings.

Meals

Our dining hall serves hearty, well-balanced meals in a family style atmosphere. A fruit assortment is provided at breakfast and snacktime and a salad bar with a huge assortment of fresh vegetables and fruits accompanies each lunch and dinner. Cold cereal is always an alternative to the hot breakfast. We make every effort to tend to special dietary needs.

Permits and Licenses

Camp Herrlich is operated by Mount Tremper Outdoor Ministries, Inc. (MTOM). MTOM and Camp Herrlich have a permit to operate by the New York State Department of Health. The camp is inspected twice annually. Copies of the inspection reports are available upon request at NYS (Putnam County) Department of Health, 4 Geneva Road, Brewster NY 10509. Background information on choosing a summer camp and the health and safety requirements for summer camps is available from Camp Herrlich. This information will be made available upon registration to every family and can be accessed prior to registration by request. MTOM and Camp Herrlich are accredited by the American Camp Association.
