5th ANNUAL CAMP CHANGES LIVES FUNDRAISING EVENT

MARCH 4, 2017 – PHILADELPHIA, PA

About Camp Herrlich:

In 1971 Mount Tremper Outdoor Ministries, Camp Herrlich's Corporation was founded with one goal in mind – helping children experience enjoyable, safe, educational, high quality, camping, retreat and environmental education programs.

Today, we are just as committed to that goal.

The Mission:

The mission of Mount Tremper Outdoor Ministries is to provide children the opportunity to grow in an awareness of themselves, the rich diversity of God's natural world and their role in the global community.

Camp Herrlich's educational and recreational programs work toward developing ethnic harmony, environmental stewardship, community service and personal growth in an atmosphere of acceptance and love.

Why it Matters:

Many children enrolled in our summer programs come from a diverse socio-economic population. Camp Herrlich is and always has been a place where children can be themselves; where they are accepted regardless of race, color, religion, or wealth.

In a world so divide, this message is more important than ever. Camp is a place where everyone is welcome. Camp is a place that changes children's lives.

SPONSORSHIP OPPORTUNITIES

SATURDAY, MARCH 4, 2017 / 9:30 – 12:00 P.M.

LA COLOMBE, 1335 FRANKFORD AVE., PHILADELPHIA, PA

The 5th annual Camp Changes Lives cocktail reception and fundraising event will be held on Saturday, March 4, 2017 at La Colombe, located in Fishtown, Philadelphia. Guests will enjoy a two-and-a-half-hour open bar, live music, networking and dancing. 100% of donations from the event will benefit Camp Herrlich to be used toward scholarships for inner city children.

There are many families who simply cannot afford to send their child to camp. We believe that those children also deserve a lifechanging experience at Camp Herrlich.

Over 80% of the children attending our programs receive some financial assistance. Even with the ever-increasing cost to operate, we have kept the fees to attend our programs as low as we possibly can. The fees and available scholarships at Camp Herrlich are designed not only to help financially at-risk families, but to help the two-person, working, middle-class families who are struggling every day to make ends meet.

The Ask:

Please become a sponsor. Your donation directly impacts these families and kids by providing them with a summer full of memories that will last a lifetime.
