**What do you want to be when you grow up?**

Well...I am finishing up a degree in Education; I will have a BS in Childhood Studies with Teacher Certification and Special Education Certificate.

**If you could be any animal, what would it be and why?**

I would be a Koala Bear, they are cute, and have a little pouch to keep their young safe! They also get to hang out in trees and enjoy the view

**Who is a great role model in your life?**

Well, I have always felt that both of my parents have given me the tools to succeed in life. My grandfather John Nanna, was always some one I could go to and learn from.

**If you could be someone else for a day, who would it be and why?**

I would be a five year old, any five year old, they wear their clothes inside out and backwards, with mud on their face, and yet they are always smiling and ready to go!

**If you could have one super power, what would it be?**

I would totally have the power of Flight! Save A LOT of money on gas!
