Silly, Energetic, Fun! From Patterson, NY

Favorite Food: Most Mexican foods. Perhaps all.

How long have you been with Camp Herrlich? I honestly don't remember...I'm pretty sure I started being a camper around 1998, so maybe 11 years altogether?

Favorite things to do at Camp: I love big, crazy all-camp activities like Capture the Flag and Dodgeball.

Favorite things to do outside of Camp: I think it's fun to act and sing in theater but I haven't gotten much of a chance to do so lately. I also love hiking and exploring and doing things outdoors when the weather's beautiful.

What do you want to be when you grow up?

I'm at school now studying to becoming a Speech Pathologist (Speech Therapist)

If you could be any animal, what would it be and why?

A cheetah! Imagine running that fast and getting to living in Africa?

Who is a great role model in your life?

There's plenty of people who've made me who I am today, but I have to say that if it wasn't for the constant example and support of my parents I wouldn't even exist. Also, Andre 3000 is crazy.

If you could be someone else for a day, who would it be and why?

I think I would like to try to be someone of political power, like the President or a Prime Minister, just so see what it's like and what their responsibilities are. Except it would have to be a day I was guaranteed not to make any speeches or change any policies or anything.

If you could have one super power, what would it be?

Super speed! Like Dash from The Incredibles.
