My sister and my brother in law is my role model in my life. They inspires me not to give up but keep trying my best and keeping pushing for what I desire.

**If you could be someone else for a day, who would it be and why?**

If I could be someone else for a day, I would choose to be Kristen Stewart. She is very gorgeous and I want to see how she feels about herself, Robert Patterson and life because not all stars have perfect lives.

**If you could have one super power, what would it be?**

One super power I would like to have is to be able to read minds of others.
