

Sarah Woodason

Compassionate, Loving, and Dedicated! From Carmel, NY

Favorite Food: I love chicken and if you're at Camp Herrlich, you get so much of it!

How long have you been with Camp Herrlich? I have been a camper for two years, a Counselor in Training for one year, and a staff member for 4 years, so overall, 7 years at Camp

Favorite things to do at Camp: I love DJ Parties because I get to make a fool of myself and show the kids that it's OK to dance even if you're not good at it.

Favorite things to do outside of Camp: I love to write poetry

What do you want to be when you grow up? Well, I'm currently an Early Childhood Education major at Dutchess Community College (my goal in life is to have my own day care.)

If you could be any animal, what would it be and why?

I would be a dog! "Man's Best Friend".

Who is a great role model in your life? I would have to say my Grandmother. She has been an inspiration not only to me but to all women. She grew up on a farm, she was in the Korean war as a decoder, raised three kids, and is battling cancer currently. However she is still strong and cracking jokes.

If you could be someone else for a day, who would it be and why?

I would never want to be anyone but myself. I'm not proud of myself 100% of the time but I know I'm a good person with good intentions and a caring heart.

If you could have one super power, what would it be?

The power to read minds so I can know how people perceive me.
